Keeping our Membership Informed Late Spring 2021

Strategic Planning

Through the generosity of The Community Foundation and CT Humanities grants we have been working with Mr. Robert Serow of RLS Consulting on our strategic plan. Goals, objectives and tactics are being developed.

Our Archives

Documents and artifacts from the Jewish Home for the Aged have been received and will be catalogued by SCSU students through a generous grant from The Jewish Foundation.

Grant for Consultant Support

We have been awarded a Grant by the CFGNH to work with Bob Caplan who will provide information technology support for our organization this spring.

Happy Spring! Great Give 2021

Mark your calendars for our early giving that begins April 23, 2021 and goes all the way through May 5, 2021

The great give is the largest fundraiser of the year for JHSGNH. It allows us to provide the funds needed to preserve the documents and artifacts of early generations of Jews in Greater New Haven. We are the only organization of this kind and need your support. Give generously. For further information visit our website or contact Sid Levine at howdysid@aol.com

Save the date: Annual Meeting June 6, 2021

Our 45th anniversary will be celebrated virtually this year!

Join us as we honor Mimi Glenn and Harold Miller for their dedication and service to the Jewish Community. We dedicate this meeting to the memory of Albert Harary and Werner Hirsch. Please attend and support us with your ticket purchase.
