Annual Awards Celebration 9/18/22

Hyla & Barry Vine, with David Beckerman

Ruthann & David Beckerman

We gathered at the JCC for a delicious Brunch in honor of Hyla and Barry Vine in recognition of their generosity and service to the New Haven Jewish Community. A special sports talk about the 1979 JCC Basketball Team was given by David Beckerman. Under the leadership of Coach Beckerman, the team went on to win a national championship. We were honored to have a few team members among the guests at our celebration. Photos and a video of the even can be viewed at our website jewishhistorynh.org

What's Happening at the Jewish Historical Society:

- We received a grant from the Community Foundation of Greater New Haven to continue our work with Consultant Bob Serow on organizational strategies.
- The Program Committee is planning many programs for the coming months that will include speakers, virtual museum visits, cooking classes, and tours.
- The first is a program in collaboration with the New Haven Preservation Trust. On Sunday, 10/23/22 at 2:00pm, we held a members only tour of the Congregation Mishkan Israel Cemetery Chapel. The program was led by board members Peter Alpert and Michael Dimenstein.
- We are planning to co-sponsor events with the Judaic Studies Department at SCSU. The first is an event on 11/16/22 with author Roya Hakakian. More info will follow.

Scenes from the Archives:

- Our Archives Team has been busy working on strengthening our collection. Daniel has been remastering the *Jews in New Haven*, one volume at a time. Jake has been working on the Jewish Home for the Aged Collection. Patti continues to work with research requests.
- We have applied for a grant from the CT Humanities that provides a visit from an archival specialist who will help develop a strategic plan for the further strengthening of the infrastructure of the collection.
- We have been communicating with the Jewish Historical Society of Fairfield County and plan to collaborate on future programming.
- Research continues from requests by clients looking for information about Jewish New Haven residents.
